## The Dimmer View

By MAX GOODWIN

I like George Fickas' reaction to a Rotary Club speaker recently when guest talked at length on the importance of good management in business. Fickas, who is editor of the club's weekly news-bulletin was so taken with the talk that he opined that not only is better management important to business but is takes "damn good management just to go broke today."

When we go off in a fliz about high taxes we refer, obliquely, at times, to the Hoover report. We use this as a touchstone, or standard, for the growing resentment of the waste in government that could and should be cut so as to reduce our taxes.

Few of us know what we are actually talking about when we make reference to the Hoover Committee Report. B. T. Tally, an MD of Albermarle, N. C. calls our attention to one part of findings of the second Hoover committee. He points out that a bill of budgeting and accounting, stemming from the Report, already introduced in the House and Senate, would not only save taxpayers four million dollars but would make the service most efficient.

Government businesses all over the world which competes with private enterprise should be sold, says he, and 105 billion dollars recovered should be paid on our national debt. We would save 2 - 3 billions in interest and gain at least six billions in federal taxes plus unestimated millions in local and state taxes. Besides losing these taxes we are paying out additional billions to keep these government businesses going.

A Task Force sub-committee came up with estimates of savings which could be effected in various categories:

Budget & Accounting... \$4 billion  
Dept. Utilization... 250 million  
Fed. Medical Services 300 million  
Lending, Guaranteeing & Insurance Activities 200 million  
Overseas Economic Ops. 350 million  
Paperwork Management 300 million  
Personnel & Civil Serv... 50 million  
185 million  
Spcl. Personnel Problems, Dept. of Defense... 400 million  
Subsistence (Food and Clothing) 400 million  
Transportation... 150 million  
Use and Disposal of Federal Surplus Property... 2 billion.

I frequently get into arguments with misguided but strong supporters of Grossmont Hospital who attempt to convince me that rates are cheaper at (Continued on Page 10)

## First Family Moves Into San Altos Terrace

Mr. and Mrs. James F. Mahoney and two children, the younger a very recent arrival, are the "first family" in San Altos Terrace, the new community in Lemon Grove area, near Encanto.

Sam Harris, of the firm Herziger-Harris, builders and developers of the tract, handed the keys of a new home to the head of "the first family" last week.

Some 600 homes will eventually be built on the 150 acres comprising the tract. All foundations for 180 homes in the first unit have been poured. 171 houses have been framed and 44 are in the final stages of construction, and will be ready for occupancy within two weeks.

We welcome all the fine families that will move in to San Altos Terrace. We know they will find Lemon Grove a place to live and prosper, and they will find Lemon Grove merchants, in every line of business, courteous and obliging. D.H.

## FIRE DISTRICT OK'S 3 AREAS

GROVE GIRL JOINS AIR FORCE

Miss Margie Bennett, daughter of Mr. and Mrs. Robert L. Bennett of 2515 El Prado Ave., Lemon Grove, left Monday March 18, to undergo Basic Training in the Women's Air Force (WAF) at Lackland Air Force Base, San Antonio, Texas. She will undergo eight weeks of Basic Training and then be sent to a Technical School suiting her vocational interests. She is hoping to be sent to PBX school.

Margie has lived in Lemon Grove since she was four years old and has attended Lemon Grove School from Kindergarten to the eighth grade. She then attended Helix High School for four years and graduated in June, 1956.

## THINGS DOIN' & BREWIN' About Civic Center

By DICK HENDERSON

The Supervisors have taken a Grant Deed and R/W contract out of the City Council's book, and now there are three murals decorating the east wall of their chamber.

The first, in the northeast corner, pictures a bricklayer building a wall, and overlooking folks in the yard below, with several white pigeons walking around. Maybe they are chickens, but small ones. A man and woman are talking things over.

The middle mural shows two hunting dogs and a man with a shot gun. Palomar Tower is at the top, and a gal in pants is standing by, the gunner ready to climb the hill to the Tower.

Third picture shows a group of engineers at lunch, reading maps. I suppose the combination of three murals portrays the progress made in San Diego County in late years.

**PAY DAY**  
Time was reserved at 10:30 to consummate the sale to the State Division of Highway's portions of Pueblo Lot 1118 of Pueblo Lands of San Diego, for \$13,168.30 CASH. Purchase was recommended by Pep'l of Public Works and the Purchasing Agent.

The directory, as in years past, lists emergency numbers, has current maps and street designations of the areas, as well as the business professional lists.

The directory is distributed without charge to user.

## 'RED AND BLACK THE COLORS'

## Mt. Miguel Hi Chooses 49's For School Name

Tradition and folklore of California's Gold-rush days will become part of the character of the new Mount Miguel High School. It was decided Monday night at the second in a series of meetings of the school's Steering Committee.

School name, the Committee agreed, will be the "49's" and school colors are red and black.

Theme of the new high school which is presently scheduled to open this Fall on Sweetwater Road, is American Heritage "with emphasis on the gold rush

days and the spirit and determination which made California famous."

"The theme is a happy one," said Mel Grant who presided the committee meeting. "The youngsters and adults who make up the committee were enthusiastic about the choice."

"It lends itself to historical research and study and is certainly not far-fetched."

Other themes considered included geophysical and Spanish.

The Committee also set Wednesday, March 27 as the date for a pre-organizational meeting of

## Port Official Says Selling Lacking For County Industry

People in San Diego County are offering industry nothing more than climate, Hank Roloff, representative of the San Diego Port Authority told a joint meeting of members of the Lemon Grove Lions and Kiwanis Clubs Thursday night.

Other communities throughout the west are doing a good job of selling their community, he said. Loss of aircraft and air-frame industries would cause every business and profession to suffer, he added. Better planning and more unity would be the first step toward alleviating the danger.

The airport and the South Bay problems must be solved to the advantage of the entire area, he said. "There is simply too much small-town politics being played here," Roloff opined.

Roy Erwin presided over the meeting. It was held at Michael's.

## Congo Missionary Scheduled At VLM

Mrs. Lillian Lewis, a missionary who has been serving in the Belgian Congo will speak Sunday at 8:45; 9:45 and 11 a.m. at the Vista La Mesa Christian Church. She will also address the Women's Group Tuesday at 9:30 a.m. and 7:30 p.m.

## Railroad Rolls Into Men's Club Program

The Men's Club Friday proved pretty entertaining in spite of the fact it had no official presiding officer, Joe Canizzaro having resigned the week before.

Joe was there, and took part in the presidential proceedings and indicated a new president would be named by the membership this week.

This week members of the Women's Club Juniors will put on their musicale including the now famed can-can production number.

Program Friday was provided, inadvertently, by the 'wheels' of the San Diego and Arizona Eastern Railway when three members of the firm's top brass turned up after a survey of the railways interests in the area. They submitted to a brain-dusting question-and-answer period in which they said their business in Lemon Grove was up in spite of the closing of the citrus packing house. W. D. Keller, traffic manager, C. M. Eichenlaub, superintendent, and Manny Adler, public relations chief for the railroad were the panelists. Eichenlaub was seated at the head table as guest of honor.

The Men's Club will continue to meet on Friday at Michael's but will have more impromptu programs.

## Grove Couple's Engagement Announced

Mr. and Mrs. Thomas Duffner, 7049 Central Avenue announce the engagement of their daughter Jean Evelyn, to Charles Kraemer, son of Mr. and Mrs. William J. Maxted, 7835 Central Avenue.

The wedding is set for April 13th in the Chapel of the First Presbyterian Church. Both young people attended Helix High School.

While San Diego city has been busily nibbling off bite-size chunks of Lemon Grove tax base, the Lemon Grove Fire District has embarked upon a successful expansionist program of its own which will increase the size of the fire district, give district residents better protection and probably reduce the fire district tax rate.

Three areas, until now, outside the fire district taxing reach and protection, have been approved as serviceable by the County Boundary Commission, according to V. J. Dorman, district legal counsel.

The first of the three areas is the San Altos tract bounded by Madera Street Imperial Avenue and Encanto. This property is under three ownerships and will soon be the site of more than 1,000 new homes.

This annexation squares off the boundaries which before now left a long finger of fire-unprotected land jutting northeast into Lemon Grove from Encanto.

Lemon Grove's boundaries, in a general sort of way, is accepted as the boundaries of the local elementary school district.

Another area, the petition for annexation of which was filed March 13th, is the long strip be-

tween Broadway and the Lemon Grove Freeway between the former site of the Cinemadine Drive In and the proposed site of the College-Grove Shopping Center. This property is destined to be industrial and is presently undeveloped.

The third section is the Angelus Heights-Larwood Park area. This too juts toward Lemon Grove in form of a triangle and is roughly located between Monterey Heights, Lomita Village and Imperial Avenue. More than a thousand homes eventually will be involved here, Dorman said. This map like the others has been approved by the Boundary Commission but the owners have not yet filed a petition of annexation.

No estimate has been reached as to the potential assessed valuation of the three chunks of land.

Lemon Grove Fire Chief Harold Hensley said that two thousand more homes would probably require four additional men and perhaps an additional piece of equipment but, he said, the added tax base should eventually reduce the fire tax rate.

## Booster Club Sets Dates For Promotion

The Lemon Grove Boosters Club, a group of business and professional people who banded together under the banner of the Chamber of Commerce to promote Lemon Grove business said that the first promotional activity has been scheduled for Thursday, Friday and Saturday, April 4, 5 and 6th.

Ted Skelley, chairman of the Club said that the event will be a sales promotion with the accent on Spring and Easter buying.

Special merchandise and special prices will be the order of the three day event, he said.

All business people in Lemon Grove are invited to take part in the production.

## 'TEN COMMANDMENTS' Benefit Show To Draw 600

More than 600 Lemon Grove movie-goers will trek to the California Theatre Friday to see DeMille's "Ten Commandments."

More than just a movie is involved because a 10% of the purchase price of their ticket will go into a fund to purchase uniforms for the band and orchestra of the new Mt. Miguel High School.

Had 1,000 tickets been sold (the entire main floor), 18% of the total would have been returned by the exhibitors.

The project was spearheaded by the Lemon Grove Kiwanis Club with the aid and assistance of the local Lions and Rotary Clubs. Greatest number of tickets were sold, however, by the Mt. Miguel Band Parents Club who accounted for approximately 200. T. E. Arrington and Larry Christenson handled the details for this group.

Paul Reynolds, business manager of the grade school district is in charge of the sales and reported that the sales would probably top \$1,300. By Wednesday approximately \$1,100 was already in hand he said.

Tickets sell at \$2.00 each and because many persons have already seen the picture, the crowd was reduced. A brighter side is that some of those who seen it offered to make a contribution to the band uniform cause.

Lions Club is sponsoring a dinner at Michaels and a bus trip to the theatre. This affair will start at 6:30 p.m. and arrangements should be made via a local Lion. Roy Erwin is president.

While the proceeds from the event is not in keeping with the amount of money being spent, it did give local residents a chance to get together for the first time on a truly community meeting grounds—that of a truly local high school.

When eighth grade students at the Lemon Grove Junior High School study interest and banking, the subject becomes alive through a class visit to a bank. These visits, initiated by Mrs. Evelyn Whalen several years ago, were made by eight classes during the past three weeks.

At the commercial tellers' windows each student held a \$100 bill! This, along with a complete tour of the banking institution and a view of the huge cash trucks used to carry money to and from the vaults, made a lasting impression upon the teenagers.

There was emphasis upon the savings account department and an explanation of how loans are made. Both served the students well, since their study of interest and interest rates include borrowing and saving.

## Hi-12 Club To Be Host To Ladies

Mt. Helix High Twelve Club has scheduled this week's meeting as ladies day and each member is invited to bring his wife.

Program will be "Harvest of the Sea," a report on the fabulous Kelco firm which processes seaweed from the San Diego area. Charlie Martin is speaker.

Meeting is at Michael's Thursday and a special ladies day menu has been planned. Lunch is \$2 a couple, \$1.25 stag. Hi-12 is a branch of the Masons.

## Ben Vestal Dies Following Service Club Meeting

Nova "Ben" Vestal, 48, a building inspector for the County of San Diego, died suddenly March 14th following a Lions Club dinner meeting.

He was apparently in good health when he returned to his home at 7872 North Avenue at 10 p.m. following the Lions Club function. He was preparing to retire when he suffered a heart attack.

He is survived by his widow Ruth, a 14 year old daughter Nellie Marie who resided with them; two other daughters who live in Colorado and Iowa; 4 brothers; 2 sisters, and his father who lives in Denver.

A former building contractor, Vestal had been a county building inspector in the South Bay area. He was a member of the Lemon Grove Lions Club and the San Diego Assembly of God Church.

## ALCOHOLIC DRY-OUT CENTER OPENS THIS WEEK

The new Alcoholic Rehabilitation Clinic at 765 India St. in San Diego is being dedicated Thursday, March 21. Following the dedication there will be an open house from 2:30 to 4:30 p. m.

The San Diego Alcohol Rehabilitation Clinic, which is now receiving patients, is one of ten clinics in California that have been established by the State Alcoholic Rehabilitation Commission on a shared cost basis. The cost of the local clinic is financed by the City of San Diego and the State Commission. It is under the general administration of the Director of Public Health, with diagnosis and treatment under the direction of a psychiatrist.

Patients will be seen on Monday, Tuesday, Wednesday and Friday from 8 a. m. to 12 noon. Appointments will be scheduled all day Thursday.

Applications for treatment at the clinic may be made regardless of legal residence. Dr. J. H. Askew, Director of Public Health said, but, if necessary, priority

will be given to persons living in the City of San Diego. Patients may be referred to the clinic by relatives and friends or may go there themselves. They may also be referred by medical agencies, by Alcoholics Anonymous or other organizations, by social agencies or by judicial and law enforcement agencies.

For the most part, eligibility for clinic treatment will be limited to voluntary applications by patients who recognize that they have a drinking problem and want to do something about it. Patients must be free from the effects of alcohol, must be willing to have a medical examination by a physician and must demonstrate their ability to use the clinic services constructively.

Applicants will be seen on an appointment basis only. The appointments may be made either by telephone or in writing.

The seriousness of the local alcoholic problem, Dr. Askew said is reflected in the estimates of authorities that one out of every 32 Californians has a drinking problem. According to a formula worked out at the Yale University Center of Alcohol Studies, Dr. Askew added, San Diego is the 13th highest city in the United States in estimated incidence of alcoholism in adults over 20 years of age.

"For some years now," Dr. Askew said, "alcoholism has been recognized as an illness of proportions that make it a disease of community concern. It has been shown that within the alcoholic population are individuals of every level of society, occupation, or educational attainment. These accepted facts of alcoholism emphasize the community's responsibility of the alcoholic."

## House-To-House Canvass To Be Cancer Feature

Chuck Ayars, assistant manager of the First National Bank in Lemon Grove, who was appointed last week to head of the Lemon Grove-Spring Valley Cancer Crusade here in April, said that a house-to-house, door-to-door canvass would be made in the district April 25th. from 7 to 9 p. m.

He said that the Lemon Grove Woman's Club has accepted the

chore of calling every resident in the LG-SV area until at least one volunteer canvasser could be named in every block.

The volunteers, he said, will not have to work alone. Lemon Grove Rainbow Girls and the Helix Teen Club have already volunteered their assistance.

Theme for this year's program is "Fight Cancer With a Check-up and a Check."

## 50 New Homes Set For Emerald Hills

Emerald Hills, which is being subdivided and developed by Walter Eschenbacher and Louis Kelton, builders of Alhambra, will shortly be decorated with new homes. Permits have been issued for a total of 50 homes, valued at \$516,700.

P.S. Checking with Frank Arm

strong and Byron Netzeley, revealed that Emerald Hills is NOT in Lemon Grove School District; San Diego grabbed it first. You Lemon Grove folks better wake up and do some annexing, or y'all will be an island entirely surrounded by San Diego. D.H.

Golden P-TA  
Elects Mrs. Gomes

Mrs. J. C. Gomes was elected president of the Golden Avenue P-TA last week. Elected to serve with her were: Mrs. R. L. Gutschall, 1st vice-president; Mrs. Geo. Holland, 2nd vice-president; Mrs. Frank Doolin, secretary; Mrs. C. L. Hill, treasurer; Mrs. Albert Detrez, treasurer; Mrs. Arthur Long, treasurer, and Mrs. E. F. Walsh, historian.

Meeting was attended by approximately 300 Golden Avenue P-TA parents who enjoyed a spaghetti dinner and heard Reverend H. C. Bakken give the inspiration. Mrs. Ramona Jenkins supplied a voice musical program and Dr. Clifford Miller spoke on "Vision and Learning."

A change in executive board meeting dates will be made for the next meeting to be held at the home of Mrs. M. E. Thill, 8295 Golden Avenue. Date is Monday April 1st. Normally the meeting is the first Tuesday of the month.

Co-hostesses will be Mrs. H. L. Graham and Mrs. G. W. Stewart. Sewing members are requested to bring sewing for the style show to be presented April 11th.

Mohicans Take Top Spot  
In Kite Fly Contest

Lemon Grove's Mohican Tribe of the Cheyenne Nation of the County-Y Indian Guides walked off with top honors Sunday at the annual kite fly. Mohicans, under Chief Dewey Franklin, captured 28 points. The tribe won the peace pipe which was top prize.

More than 200 persons attended the event which was held on a hilltop overlooking Fred Hansen's La Mesa Airport. Gusty winds wrecked several entries. Chief of the Cheyenne Nation William Hendrickson said.

Smallest kite entry was made by Jack Emery (Black Buffalo). Best Indian Design competition was won by George Ribbley (Straight Arrow). Oddest entry was won by Tommy Franklin (Red Fox). Ribbley is a member of the Piute Tribe, the others are Mohicans.

Coming Indian Guide events are: S.D. County Longhouse Pancake Supper, April 13, 5 to 8 p.m. at Copely YMCA; Matchbox Derby semi-finals for 4 tribes of the Casa de Oro area, April 23, and semi-finals for Spring Valley-Lemon Grove tribes, April 25.

Weeds Sap  
Vital Water  
Says Advisor

The hills have donned their new Spring dress of beautiful green. Never in my recollection of 70 years in San Diego County do I remember having seen the countryside more beautiful.

The green seems to me to have a richer hue, but Pearl, the artist in our family, says it seems so because everything has been brown so long.

In this SAVE WATER campaign, orchardists will be interested in the following information from Farm Advisor Don Gustafson, of the University of California staff.

Are You Wasting Water?

Avocado growers in Southern California are becoming more conscious every day of the lowering water tables and the increased cost of delivering water to their crops. In San Diego County, growers are especially concerned about water supplies. The high cost of delivered water makes it imperative to use water wisely and carefully. The average cost of one acre foot of water ranges from \$35.00 to \$50.00.

Water competition in an orchard during the spring and summer months is great. Weeds are the keenest competitor for this moisture so badly needed by the avocado and citrus. Permitting weeds to grow will reduce the amount of available water to the trees. Studies and measurements have been made to determine the use of water by living plants under local climatic conditions.

To produce a ton of dry weight of plant, it takes approximately 500 to 600 tons of water. As a conservative estimate, some orchards are growing weeds, or their equivalent, at the rate of three to five tons per acre. Three tons of weeds per acre will use 1,500 tons of water during the season. In other terms, 1,500 tons of water is equal to more than 360,000 gallons or more than one acre-foot of water.

Use of this much water on weeds robs trees of needed moisture. The grower must pay for this extra water which is of no benefit to the trees. If additional water is not applied to compensate for that lost to the weeds, there could be a reduction in the crop.

Turn the Weeds Under  
Turn the weeds and grass in your orchards under NOW AND SAVE WATER.

If you can't turn the weeds under, use an oil spray and kill the growth. It is easier and cheaper than plowing or spading, and just as effective. Some say it is better to spray with oil.

Don't hit the tree leaves with the oil. A second spraying in spots may be necessary. D.H.

## Local 'Girl' Proves To Be Age 82 Lady

Last week we ran a story concerning a trip Ruth Kerfoot was making in Mexico as a member of a San Diego Farm Bureau tour.

The item was submitted by Cal Farm Service in Berkeley. They identified the tourist simply as Ruth Kerfoot.

Our headline writer, slugged

the story "Local Girl on Mexican Tour."

We learned this week that the tourist is Mrs. Kerfoot and that she is 82 years young.

While "Girl" was hardly appropriate in the heading we think Mrs. Kerfoot is quite some girl and request she forgive the unintended flippancy.

Sixteen couples of the Skyline Wesleyan Methodist Church will attend the "Evening in Springtime" formal to be held at the El Cortez Hotel in the Don Room of the Hotel, Friday. On the program will be Ralph Carmichael, film and recording artist with John Gustafson, outstanding tenor singer and Charles Magnuson, world renowned pianist. The guest speaker of the evening will be Roy McKeown, "Youth for Christ" director of the Greater Los Angeles District.

Teenagers of the Skyline Church are planning dinners previous to their evening at the El Cortez. Youth Minister Jerry O'Brien will head the party as it enters the El Cortez Don Room.

### 'Dr. Henderson Renders Advice To Dr. Miller

Dr. Willis H. Miller, head of County Planning Commission, stooped over to tie his shoe last Monday, and "bang" went his sacroiliac, and every move since is a torment. The sharp pains in the lumbar region are very severe and medicines seem unable to find a quick remedy.

'Doan's Pills, advertised extensively over the radio, with sore back attributed to kidney trouble, are absolutely no use, since "backache is not due to kidney disorder. By far the greatest majority of backaches are due to lumbago and not to kidney trouble." "The attack often develops very suddenly from a slight twist or "catch" in the back, as in lifting, or even in slight bending of spine. With this onset the pain is often so severe that the patient falls or sinks to the ground, unable to move without causing agonizing pain." The above quotes are from "Family Home Medical Guide," "written so you can understand it." Cost \$1. Worth more to me.

Diathermy is recommended as a treatment. An electric pad applied to the painful part of the back helps relieve the pain, I have found.

Don't bend over from the hips. Bend the knees, keep the spine straight. It is the joints in the spine that slip and cause the trouble. And Man, does it hurt!

Our sympathy goes out to Dr. Miller. We have been having similar trouble the past two months, caused by an injury to the spine from a fall when we lit on the back near the base of the spine. Muscles were badly bruised and circulation of the blood has to be restored with daily electric treatments. "Chron-owave," it is called. Feels like a mouse was scratching the back but it works. D.H.

But how is Dr. Miller doing?  
Dr. Miller

### Social Security Survivor Cash Overlooked By Many

Many families are overlooking the possibility of receiving survivor benefits under the social security acts when a worker in that family dies.

So says James J. Norris, manager of the San Diego SSA office. He goes on to explain that this is particularly true if the deceased worker happens to be a female or a male not survived by a widow or closer relative.

A lumpsum benefit payment

can be made to the surviving spouse, or if there is none to the person or persons paying burial expenses.

Norris says that there are so many ramifications about payment that many beneficiaries are not taking advantage of such payments through lack of information about the social security laws. He says, too that any social security payments are not automatic—in each case a claim must be filed. Best thing to do, he says, if there has been a death of a wage earner in your family is to get in touch with his staff for this area at the SSA Branch Office, 117 West Orange, El Cajon.

## A Guy Can Get Awfully Mixed Up On St. Patrick's Day

St. Patrick, with all his green  
tins, was a visitor to this news-  
paper shop last week.

It happened like this:  
Michael's Restaurant gave our  
advertising department an adver-  
tisement concerning St. Patrick's  
Day event which is traditional  
at that place of business.

He runs this advertisement  
every year in which he tells  
about the green champagne each  
visitor gets, the huge fully  
heaped plates of corned beef and  
cabbage he serves for a buck as  
a tribute to St. Pat. He also puts  
on a round of entertainment  
which, so far as we know, in-  
cludes a humpie dance by H.  
Goldy, the firm's entrepreneur.

Our printer, instructed to dig  
last year's advertisement out of  
the file did that... but he mis-  
sed the date by one week. That  
was the week, last year, Mich-  
ael's was having amateur con-  
tests.

All the contestants who turned  
up this year to sing or dance  
found no contest. All they found  
was green champagne served  
without charge, and a big plate  
of corned beef and cabbage.  
Had more fun that way, they  
said.

## 7 Pups Born On Doorstep Want Home

Want a nice pup for your  
youngster?

The seven pups born on the  
doorstep of Mrs. G. M. (Andy)  
Anderson's home at 2850 Helix  
Dr., Spring Valley, are now six  
weeks old and ready to be wean-  
ed and adopted.

Mrs. Anderson says they are  
all little beauties, mostly girls.  
She has found homes for two of  
the pups; those remaining are  
available, also the mother, which  
came to the Anderson home a  
couple of weeks before the multi-  
ple birth. She is a good watcher,  
gentle and kind.

Mrs. Anderson has a dog that  
has been with them for eight  
years and the two older dogs  
don't get along too well, so the  
newcomer will have to go. Mrs.  
Anderson has fed the pups plenty,  
and they are fat and sassy.

If you can use a good dog, and  
want to train him yourself, get  
in touch with Mrs. Anderson by  
Phone - HO 6-9621. She is not  
at home week-days, so please call  
after 6 p.m. D.H.

## L.G. 4-H CLUB SHOWS SAMPLES

Saturday p.m. March 9, was a gala day for L.G. 4-H  
Club members. The Club had an exhibit in a roped off space  
near the BIG LEMON, where it says "Lemon Grove, BEST  
CLIMATE ON EARTH".

Shown were a goat, a pig, sheep, rabbits and pigeons,  
all being projects of 4-H Club members. Suitably displayed  
were preserves and sewing by girl members, besides Forestry  
and electrical exhibits.

Missed from the display were chickens, (too little to show)  
Some 200 interested Lemon Grove folks viewed the exhibit,  
and beef animals, (too big to handle in the limited space).  
all expressed admiration for the young folks' enterprise.

Big Sheep - "Snowflake", Small Sheep "Pancho" and "Gar-  
cia".

## LETTERS TO THE EDITOR

Dear Editor:

I was happy to see the pub-  
licity you gave recently in  
your newspaper on the sorry  
state of affairs in regard to  
fire protection in the unin-  
corporated areas. From expe-  
rience I know that nine-tenths  
of the people who have bought or  
built expensive homes in those  
areas are completely unaware,  
because they have always lived  
in cities, that no fire protection  
of any kind exists after 5 p.m.  
and very little before that.

I wish it could be brought to  
their attention also that the ac-  
tual rise in tax rate caused by  
annexing to nearby cities is more  
than offset by lowered insurance  
rates and fire and police pro-  
tection afforded.

No amount of money can re-  
place the loss of personal and  
prized possessions, collected thru-  
out the years. It's high time to  
do some thinking about this sub-  
ject.

Yours very truly,  
Virginia Clapp  
4757 Palm Avenue.

Years we ran had to do with un-  
incorporated are OUTSIDE fire  
protection districts, Lemon Grove  
and Spring Valley have splendid  
fire departments.

Dear Editor:

This is to thank you for the  
very nice article you wrote  
about us, in the February 28th  
issue of the "Lemon Grove Re-  
view." We of the San Diego Hu-  
mane Society are very grateful,  
and sincerely appreciate any and  
all favorable publicity.

## Pony League Meet Date Set

There will be a general meeting for all players of the Lemon Grove-Spring Valley PONY League in the auditorium of the Lemon Grove Junior High School on Tuesday, April 2, at 7:30 p.m. All parents of the players and the general public interested in PONY League baseball are cordially invited to attend.

The PONY League has set Sunday, May 19 as the opening game day. Games are to be played on the Mt. Miguel High School grounds, on Sweetwater Avenue, in Spring Valley.

There are six teams in the LG-SV PONY League this season and each team is scheduled to play 15 games.

Tryouts are scheduled for April 6, 13 and 27 at the Mt. Miguel High School, starting at 10 a.m. Boys must bring \$1.50 for insurance and also bring their birth certificates. Boys 12 to 14 are eligible.

For further information call Mr. Nat Bemis at HO-61348.

## Throwin' The Bull

By BOB TURNBULL

It's a joke, Son! ... Sue: "So you worked your way through college. Your father must be proud of you."

Bob: "Not much! He's the man I worked on."

—BT—

Highlandville Goodie! ... Congratulations and a tip-of-the-ivy-League-Hat to Helix's newly elected ASB officers headed by gavel-wielder Don Bassett, supported by female veep Kay Farnham and Bev Aandora, secretary. The commissioners are Sue McDonald, Sue McMaster, Sandra Perkins, Stephanie O'Connor, John White, Bill Sells, Jeanine Shells and Dexter Levy. ... State's national frats and sororities are swelling with ex-Highlanders thanks to Pauline Harper, Alpha Chi Omega; Sally Culver, Alpha Phi; Karl Jordan, Kappa Sigma and Rick Sutherland, Sigma Alpha. ... Suggestion to Helix Hi: Why not try to persuade either Channel 6, 8 or 10 to let your drama department put on one-act plays in the afternoon or evening? ... It is rumored that the office of Chief Justice at Highlandville may be abolished! ... and Helix students who will help plan the extra-curricular activities at Mt. Miguel Hi next year are Dick Cook, Marvin Runge, Mary Conlee and Sharon Cassell.

—BT—

Glitterland Gab! ... Tony Perkins has been hand-holding with Silvana Mangano's 18-year-old dotter, Natascha ... Kuddip Singh, alias, "The Kashmir Kid," sings like Mario Lanza and The Elvis Presley. ... Producer Al Zugsmith is prexy of the "Sherman Oaks Rat Pack." ... Rod McKuen suggests this sequel to UT: "Will Success Spoil Rock Pretty Baby?" ... "Young Love" singer Sonny James refuses to work where whiskey is served. One of his good Christian beliefs. ... The calypso fad has started a wave of movies in glitterland. No less than 10 titles have been reserved for future flicks, like "Bop Girl Goes Calypso," "Calypsomania," "Calypso Kid," "Banana Boat Calypso," and "Mad Craze from Trinidad." ... and Lemon Grove's Dennis Hopper can soon be seen in Warner's TV show "Conflict." He plays the lead in "No Man's Road."

—BT—

Cool 'n Casual! ... Let's take a brief off-beat glimpse of modern life '57 version. ... like, WARNING! Palm Springs police have threatened to crack down on juvenile invaders during the Easter holiday vacation. If juveniles cause trouble they will be immediately arrested, there will be no warning issued. The same message is also from Balboa Beach. Looks like we'll have to "take to the hills" for the second year in a row. ... Pittsburgh "stradias" suspend two hearts from heavy-duty ankle bracelets. One heart carries the wearer's name; the other, the current flame. Needless to say, the felons wear them. ... and then there's the true bit about a Cincinnati used-car dealer that had this one-day slogan: We guarantee to break Elvis Presley records in your presence if you buy one of these cars today! He moved 17 vehicles!

### Speed Demons Perform

HIT THE DIRT — Gilbert Vayde, Lemon Grove cyclist took a spill here in last Sunday's Paradise Valley motor-cycle races. No damage to man or mount, but a mouth full of dirt for Gilbert-Thrac Photo.

### Helix Looks Good In Coming Track Competition

Helix High School, Metro League grid champs and co-champs in the hoop sport loom as strong title threats in the track and field battles.

Coach Dave Lefever, stating recently that he believes this to be Helix's finest track representation in their history, will start his bid for the hoof & muscle crown this Friday, March 22 at Sweetwater at 2:30 p.m. in a dual league match.

Last year as a sophomore, Bill Ernest, a five foot ten inch, 155-pound sprinter sped the 100-yard dash in :9.7 seconds and the 220-yard dash in :22.1. This year with improved endurance and growth Coach Lefever labels Bill as one of the fastest high school sprinters in the nation. Another first for Helix!

Lettermen and the most promising candidates for this year are: sprints, Ernest, Joe Rockhold (Lemon Grove), Owen McCoy, mile, (Lemon Grove's) Morris Nunes and Vic Berggren; hurdles, Gael Barsotti (Lemon Grove), Gary Dunn (Lemon Grove), Rocky Barsotti (Lemon Grove), Jim White, Dan Spinnazola (Spring Valley), and Pat Brown; shotput, Dunn, Larry Williams, and Dave Connors; pole-vault, Bill Riley, John Dorman (Lemon Grove), Bob McLaughlin; broad-jump, Ernest Brown, Spinnazola; and high-jump, Barsotti, Chuck Bauer and Ellis Edenfield.

☆ Few people have enough "character" not to believe the nice things that are said about them.

### Local Golf Teams Trowned

Losses by Helix, St. Augustine and State College marred the local golf record last week. Helix dropped a 35-1 decision to Chula Vista, the Saints were beaten by Mission Bay, 27-9 and UCLA tromped the Astecs 4-13. Results:

Chula Vista 35, Helix 1  
Bombold (CV) df. Fornier (H), 5-1; Dillon (CV) df. Glines (H), 6-0; Skinner (CV) df. Welbaum (H), 6-0; Holzer (CV) df. Kelly (H), 6-0; Cotton (CV) df. Thompson (H), 6-0; Campbell (CV) df. Ballantine (H), 6-0; Low gross—Dillon and Cotton, 73.

Mission Bay 27, Saints 9  
Low gross—Chuck Powers (MB) 79; Joe Bodenstadt (SA) 90.

UCLA 41, State 13

Dick Foote-Mike Starkman (UCLA) df. Mike Tarp-Howard Donnelly (SDS), 14-4; Bill Foote-Bob Brogan (UCLA) df. Ron O'Connor-Bob Ott (SDS), 17-1; Phil Miller-Dan Bendix (UCLA) df. Ron Rowcliffe-Jerry Davee (SDS), 10-8.

HERB SCORE, ace southpaw flinger for the Cleveland Indians, will be one of the pitchers during Friday night's exhibition baseball game at Lane Field between the Indians and the New York Giants. Game time is 7:30 p.m.

## State College Gymnast Takes Six Events

San Diego State College hosted a recent Southwest Pacific Board of Association Amateur Athletic Union gymnastics meet and Stan Levin of State won six events.

Results:

All-Around—Stan Levin (SDS), Ernest Appacosta (US Navy), Orlando Coons (SD YMCA), Rope—Joe Cabellero (SDS), Gus Eulitz (SDS), Dave Moody (SDS), Free Exercise—Stan Levin (SDS), Jeff Ghelardi (SDS), Gary Albright (SDS), Horizontal bar—Appacosta (US Navy), Levin (SDS), Don Brown (SDS), Side horse—Levin (SDS), Gil Hatter (SDS), Coons (SD YMCA), Parallel bars—Levin (SDS), Appacosta (Navy), tie Dean Baer (SDS) and Ghelardi (SDS), Long horse—Appacosta (Navy), Levin (SDS), Albright (SDS), Flying rings—Levin (SDS), Moody (SDS), Albright (SDS).

### Four Helix Hoopsters Make All-Metro

Placing two forwards, one center and one guard on the All-Metro basketball team is another first in the way of achievements for Helix High School.

In the recent Breitbard Athletic poll Helix placed forwards Ron Mulder and Jerry Goins, center Gael Barsotti and guard John Drumm on the all-star team. Forward John Cook was honorable mention.

Player of the Year was Sweetwater's Bob Jordan. Last year Barsotti was the VIP. Barsotti played the same, Jordan improved tremendously, so Helix didn't lose its prestige.

Surprise of the poll was having Goins an All-Metro forward. He played guard the entire year. Unusual juggling, nooo?

## MID-WEEK SPORTS

### Recent Results ...

Helix Handcuffed, 3-1.  
Only Bob Schultz' homer in the opening frame saved a total loss for Helix as Mar Vista's R. W. Earl notched a one-hitter to chop down Helix, 3-1. The losing battery was Whalen, Thorpe (6) and Schultz.

### Artists Victorious

State hurler Bob Imlay pitched and batted the Astecs to a 6-4 win over Occidental. Imlay collected a double and two singles, struck out six while his mates backed him with 11 hits.

### AC Drops Swabs

San Diego Junior College flexed its baseball muscles while dropping NTC, 9-3. Winning pitchers for the Knights was former Grossmont Jim Putney and

### GROSSMONT ON SHORT END OF TENNIS PLAY

Continuing their losing streak, Grossmont Hi dropped its third straight tennis match to San Diego, 4-3. Results:

Singles—Karns (SD) df. Pappas (G), 6-4, 6-3; Spurber (SD) df. Durbin (G), 6-0, 6-1; Gordon (SD) df. Villani (G), 6-4, 6-3; Tilton (SD) df. Knowles (G), 6-1, 6-3. Doubles—Fluegel-Stilman (G) df. Capart-Fetzer (SD), 6-1, 6-3; Hegland-Steggel (G) df. Landon-Landon (SD), 2-6, 6-3, 6-2; Williams-Bray (G) df. Jones-Hillenbrand, 6-3, 6-3.

### PROGRESS REPORT

Your new telephone service and testing center is entering the final stages of construction. Bricklayers, carpenters, the setters, plumbers, electricians, plasterers and roofers are swarming all over the building right now. They should all be through around April 15th. Shortly after, Western Electric craftsmen will move in to install the complex electronic equipment. August is the target date to start operating the center with about 35 Lemon Grove and surrounding area telephone people. They will assign circuits between the equipment center and your home on new orders for service or when you move. In addition this group will test your lines and handle all repair work.

This fall we will have open house in this new center and the Hopkins equipment building. Everyone in our community will be invited to see what happens at the other end of your line. Tied in with this new service center is a garage headquarters for installers and repairmen for this area. Ground was broken earlier this month in Spring Valley for this building. We'll have a picture and story of the interesting points of the garage headquarters in this column within the next two months.

**R-O-H:** That's what telephone line testers call it when they run into the situation like the one at the left. It means "receiver off the hook." A receiver hasn't been replaced quite right or it's accidentally propped up by some object. Whatever the cause, the plungers don't go all the way down and your line is as "busy" as if you were talking. Watch out for R-O-H.

## 27 Area Winners In B. of A. Competition

There were 27 local winners in the first round of Bank of America's statewide Achievement Awards Program for high school seniors in a list released last week.

For outstanding scholarship, leadership, and promise of future service to society, all will get certificates of achievement, and some will receive additional honors which may lead to their sharing in \$22,100 in cash awards in the Southern California competitions.

Following are the students and their fields:  
From Grossmont High School: Edward Fenton Manzer, El Cajon, Mathematics; John Roger Berg, La Mesa, Laboratory Science; Carolyn June Watson, La Mesa; Music; Patrick Lee Maynard, La Mesa, Art; Susan Jo Phillips, Lakeside, English; Frank David MacCall, Spring Valley, Social Science; Heather Campbell, El Cajon, Foreign Language; Arlene Joyce Austin, El Cajon, Business; Marilyn Joy Drummond, Spring Valley, Home Economics; Francis Michael Keany, Lakeside, Trades and Industrial Arts.

Gold Trophy winners in the Grossmont group were: Edward Fenton Manzer, Science and Math; Patrick Lee Maynard, Fine Arts; Frank David MacCall, Liberal Arts; Francis Michael Keany, Vocational Arts.

From Helix High School: Ralph Christensen, La Mesa, Mathematics; Also Laboratory Science; William James Glazebrook, Lemon Grove, Music; Lorraine Lull, La Mesa, English; Nancy Madison, La Mesa, Social Science; Julie Conley, La Mesa, Foreign Languages; Louise Robinson, Lemon Grove, Home Economics; Fred Sanders, El Cajon, Trades and Industrial Arts.

Gold Trophy winners in the Helix group were: Ralph Christensen, Science and Math; William James Glazebrook, Fine Arts; Myrtle Tilling, Liberal Arts; Fred Sanders, Vocational Arts.

Under the plan, 1,800 Southern land students will get certificates, 600 certificate winners will get trophies, and 180 will get cash awards. The top-ranking eight will receive \$1,000 each. Awards are made in four general fields of study that take in virtually all high school subjects: vocational arts, liberal arts, fine arts, and science and mathematics.

Most of the gold trophy winners will go to the zone competitions in April, appearing before a judging panel of civic leaders, who will get cash awards of \$25; second place winners, \$50. All first-place zone winners go on to the finals in May, at the Hotel Statler, Los Angeles, where they will receive not less than \$100 each and may go on up to the top \$1,000 awards.

While the bank's program is statewide, there is no competition between the four geographical divisions into which the bank divides the state. Each division receives identical awards. The statewide total in cash awards is \$44,900 this year.

Christensen, La Mesa, Mathematics; Also Laboratory Science; William James Glazebrook, Lemon Grove, Music; Lorraine Lull, La Mesa, English; Nancy Madison, La Mesa, Social Science; Julie Conley, La Mesa, Foreign Languages; Louise Robinson, Lemon Grove, Home Economics; Fred Sanders, El Cajon, Trades and Industrial Arts.

Under the plan, 1,800 Southern land students will get certificates, 600 certificate winners will get trophies, and 180 will get cash awards. The top-ranking eight will receive \$1,000 each. Awards are made in four general fields of study that take in virtually all high school subjects: vocational arts, liberal arts, fine arts, and science and mathematics.

Most of the gold trophy winners will go to the zone competitions in April, appearing before a judging panel of civic leaders, who will get cash awards of \$25; second place winners, \$50. All first-place zone winners go on to the finals in May, at the Hotel Statler, Los Angeles, where they will receive not less than \$100 each and may go on up to the top \$1,000 awards.

While the bank's program is statewide, there is no competition between the four geographical divisions into which the bank divides the state. Each division receives identical awards. The statewide total in cash awards is \$44,900 this year.

### 500 Acres Sold Near Mt. Miguel

A 500-acre tract of land east of Sweetwater Reservoir and south of Jamacha changed hands recently.  
The property was purchased from Joseph L. E. Bennett for \$60,000 by Star Roof Investment Co., which includes Wilbur Kelley, Jr., Philip White and eight other investors whose names were not disclosed.

At present the property is being used as range lands, with gentle cattle getting fat on the luscious young foxtail. The buyers are said by White to have no intention of developing the property, but will put it on the market for builders and developers when water is available and the land is needed for subdivision purposes. He anticipates that may be within three to five years.  
The land is within the newly created Otay Water District, and adjoins 3,400 acres purchased earlier by Bonita Ranch Investment Co., which includes several of the same investors.

### 250 MORE HANDICAPPED ADDED TO PRIVATE PAYROLLS

250 handicapped persons have been added to the county employment rolls in the last five months, reported Dr. Frank Giolitti, 3785 Ravenna Drive, chairman of the Governor's San Diego Committee for the Employment of Handicapped.

He told members at a Committee luncheon Wednesday at the El Cortez Hotel that 17,000 of the county's 20,000 handicapped are gainfully employed. Less than 800, said he, are not employable at all.

He said the State Department of Employment had done an outstanding job in helping to situate handicapped jobseekers.  
He also pointed out there is practically no absenteeism among handicapped workers.

## Beltline Route Outlined To U.S.B. of P.R.

The San Diego County Board of Supervisors recently asked the U.S. Bureau of Public Roads to include the Sweetwater-Spring Valley portion of the county's master plan beltline freeway in the county federal aid secondary system.

According to the plan the 11 mile road will extend from U.S. Highway 101 south of National City to the new freeway at Palm and Campo Road near La Mesa. The road will cut through about Quarry Road near the Sweetwater Lake, up Sweetwater Avenue to Valencia Street, then over east between Central Avenue and Bancroft Drive, to La Mar and east of Brookside and west of the hill.

Of course the plans can be altered at any time, according to the County.

## Production At Grossmont Hospital Raised To 40 Babies A Week

Grossmont Hospital proudly presents a list of 40 babies born there during the week of February 28 through March 7.

Spring Valley claimed two of the new arrivals via Stork Air Express, BOTH BOYS! And Lemon Grove was utterly ignored by the revered Doctor Stork. No details as to where to put the blame.

Spring Valley New Residents: Mr. and Mrs. W. S. Berke, 2167 Helix St., claimed a BOY, weighing 7 lbs. - 2 1/2 oz., born March 3rd.

Mr. and Mrs. P. D. La Framboise, 3545 Niblick Dr., took charge of a big BOY, who tipped the scales at 8 lbs. - 9 oz., on March 4th.

The other new arrivals during the week, credited to various little cities in the area, were:

El Cajon, 7 girls, (including TWINS, - one weighing 6 lbs. - 12 1/2 oz., the other 6 lbs. even, born to Mr. and Mrs. J. H. Motley, 733 N. Pierce St., El Cajon, who arrived at 4:44 a.m. and 4:51 a.m. respectively. If the girls don't like El Cajon they will be welcome in Lemon Grove, where it's cooler in Summer and warmer in Winter. When I think of some of the Summer days that hit El Cajon I am reminded of the old Negro who arrived in Chicago on a Winter evening and walked around a corner, was hit by an icy blast, exclaimed "Good God, Wind, where was you last August?"

Anyway, that's the story told me 40 years ago by Mr. King, a

pharmacist who relieved drug gusts all over the World. He could go into a drugstore anywhere and take over the counting of drugs. He didn't want a steady job, liked to travel, and did, for years. King told me about this colored man in Coronado.

Now that we have worked that story in, we will go on. El Cajon claimed six boys, besides the seven girls mentioned.

La Mesa, "Jewel of the Hills" was the proud claimant of two girls and four boys, while San Diego, which city keeps reaching out for more territory to rule, drew ten girls and five boys.

Santee drew a boy, as did Lakeside. Alpine got a girl and finally Grossmont got a boy.

We extend both hands in welcome to all 40 of these young people, and are sure they will grow up to be Good American Citizens.

A phone call to Helen McGavock, in Roger Howe's Baby department, disclosed that in February births in the County totaled 1501, and already in March 1600 little bundles have come to live here.

Another little item Helen gave me: A total of 1632 marriage licenses were issued in January, February and so far in March. That ought to be good news to Mr. Peelyon. Mebbe the new wing will be ready by that time. —D.H.

## Uncle Sugar Owes Us \$63 Grand

The Lemon Grove School District has applied for \$63,261.00 in federal funds for operation and maintenance of schools under Public Law 874. It was announced this week by the Office of the County Superintendent of Schools.

Grossmont High School District applied for \$101,421.25 at the same time.

Uncle Sugar returns approximately \$80 per year per pupil to this, and other districts for pupils whose parents are federally connected.

Byron Netzeley, local school superintendent said that approximately 25% of the local school population is made up of pupils in this category.

The funds, he said, go into the pot from which teachers' pay and school maintenance is drawn.

## Square Dance News

### Larials

Party nite was held Friday with guests from Buoy and Belles, Haylofters and Tumbleweeds, music by the H & H Tune-twisters and guest callers, Les Vivian, T. T. Lewis and Tommy Ashlon.

Happy 13th wedding anniversary was sung for Charles and Virginia Fugger, Theon Stulen and Charles Fugger won the prize for the scavenger hunt and Max Andrews and Jean Kussell won the door prizes.

### LEVIS AND LACES

Levis and Laces are starting a new beginners square dancing class May 6th, at Lemon Grove Woman's Club. Clarence Montgomery will be the teacher.

Forty-four persons came home Sunday night happy and contented after a week end spent at Cuyamaca Camp. Wonderful time of square dancing and eating was had. The food served was enjoyable and the dancing was grand.

☆ "Gentleman" Jim Corbett fought in the prize ring for 18 years—and never once suffered from a black eye or bloody nose.

## 7 Students On State 'Tops' List

Seven Lemon Grove students at San Diego State maintained grades high enough to place them on the Dean's Honor List for the fall semester, released last week by Dr. Herbert C. Pfeiffer, dean of students.

The list contains a record 340 names, with 49 students maintaining a straight "A" average. It honors those undergraduates carrying at least 12 units who earn a grade point average of at least 3.5. A "B" average is figured as 3.0; all "A's", as 4.0.

The Lemon Grove students are Bernie Svalstad, 7536 San Miguel, junior in personnel management; Miss Shirley B. Quist, 8409 Golden Ave., freshman in elementary education; Mrs. Gladys M. Magro, 3564 Harris St., junior psychology major; Miss Ono A. Steinhoff, 2769 Massachusetts, junior majoring in social science and general science; and Mrs. Elizabeth P. Ellis, 2735 Washington, senior education major.

Also Miss Alice L. Quist, 8409 Golden Ave., senior in elementary education; and Miss Joan H. Strophe, 7923 Nichols St., senior home economics major.

### BROTHER ROCHELLE

#### BACK FROM REVIVAL

Bob Rochelle, pastor of First Baptist Church, Lemon Grove will be back in the pulpit Sunday to share with the people of his experiences of the Revival Campaign that he has been helping to conduct in Woodland, California. In preparing for their local Revival Services which will be meeting each night of next week to study a book on Soul Winning Doctrines. An extensive Visitation Program will accompany this study.

## Fred Dixon Heads County Fire Assn.

Lemon Grove Assistant Fire Chief Fred Dixon will be installed as president of the San Diego County Firemen's Association Friday March 29th.

Meeting will be held at the Lemon Grove Fire station at 7:30 p. m.

Installing officer and toastmaster will be a retired Forest Ranger Luther Gordon who is an honorary member of the association.

To be installed with Chief Dixon are:

National City Fire Captain as 1st. vice-president; Spring Valley's Frank Berger, 2nd vice-president and El Cajon's Al Petree, secretary-treasurer.

Missing from the ceremony will be Grove Chief Harold Hensley who will be sitting as part of a board of examiners to select a fire chief for Vista. Chief Hensley said Vista will have a paid chief for the first time if one of the 12 applicants is chosen.

## Mrs. Arms Elected VLM PTA Head

Vista La Mesa PTA election of officers was held at their regular March meeting in the school cafeteria.

The 1957-58 officers are: Mrs. I. L. Arms, president; Mrs. A. C. Olson, first vice-president, and program chairman; Mrs. L. A. Kebler, second vice-president and membership; Mrs. H. M. Shockley, third vice-president and hospital chairman; Mrs. R. L. Brehl, fourth vice-president and publicity chairman; Mrs. W. E. Jones, recording secretary; Mrs. G. W. Jenkins, corresponding secretary; Mrs. H. J. Cowles, treasurer; Mrs. R. E. Brown, historian, and Mrs. W. R. Simms, auditor.

Officers will meet soon to select committee chairman for the coming year.

## SV Landmark May Get Official Status

Two members of the San Diego County Parks and Beaches Dept., Claud Hupp and Ruff Gardner, were on the grounds of the Spring Valley Chamber of Commerce last week to study the possibility of putting in a plaque to designate the old adobe building as a California landmark. The plaque is in the 1957 budget of San Diego County due to untiring work of Spring Valley's historian Mrs. Eileen Smith and the Chamber of Commerce Junior Past president Bill Doughman, along with the Chamber of Commerce. Mrs. Smith and Doughman met with the Historical Society quite some time before last year's centennial, and started the wheels turning to make the Spring Valley building a landmark.

The two County officials said the problem is made easier due to the fact that the Chamber of Commerce already has a pillar on the grounds whereon the plaque may be placed. One side of the pillar has a plaque dedicated to the men and women of Spring Valley who have served in the last war.

The small plot of ground around the pillar in all probability will be beautified with a low curb and fence with flowers or plants inside the fence.

## Orchids To Be Shown This Week-End

Thousands of orchids will be on display Saturday and Sunday when the 11th annual Orchid Show will be held in Recital Hall. Sizes will range from those so small that a magnifying glass will be used to see the perfect shape of the blooms, to those of the large, yet delicate Cattleyas. Show is open 1 to 9 p.m. Sunday.

The San Diego County Orchid Society presents the show each year.

## Dimmer View

(Continued)  
Grossmont than at other hospitals.

Truth of the matter is that they are not. This can be ascertained by any person who wants to take the time to make four or five telephone calls and chart the results. At 2 p.m. on Tuesday I made five such calls and found only one hospital with rates higher than Grossmont. This is not to say that Grossmont is poorly operated nor to deny that it is a beautiful edifice, but rates are what we are talking about.

Every property owner within the sprawling Grossmont District not only pays for bond interest and principal but also for maintenance and operation of the hospital. This rate is presently ten cents per \$100 valuation of which eight cents is for bond interest and principal and two cents is for maintenance and operation.

The home owner with a \$3,000 assessed valuation is paying \$2.40 a year for bonds and 60c a year for maintenance and operation. Maybe you'll never use Grossmont, and I hope you do not, but you'll go on paying subsidy to the hospital year after year. Total rate was 20c the first year and the rate could go as high as 28c. Twenty cents would cost the previously mentioned homeowner \$6 annually; 28c would make the tax bite \$8.40. We pay no tax or subsidy to other hospitals available to our use.

Here are the current rates for a private room. All include meals:

Hospital	Per day
Mercy	\$20.00
Paradise Valley	20.00
Villa View	22.00
Grossmont	23.00
Sharp Memorial	24.00

Public contributions built Sharp Memorial. Paradise Valley is owned by Seventh Day Adventist; Villa View was built and operated by private capital and Mercy is a Catholic supported hospital.

Only Grossmont is supported by taxes. Rates, to the taxpayer at least, should be lower. If the Grossmont board was interested in an unusually good public relations job they would make each resident's tax receipt legal tender against present or future bills at the hospital.

## Junior High School Bid Opening To Be Set For April 1st By School Board

At the school board meeting Monday night, March 25, bid opening for the new Palm Avenue Junior High School in Lemon Grove will be set for April 1. After many months of planning and having plans approved by various State agencies, the board can now announce that concrete evidence of a sixth school for Lemon Grove will soon be seen in this growing community. The board will also announce a Board of Supervisors' hearing on April 2 concerning a property easement on the new school site.

Other agenda items include consideration of improvement of Mercury Drive near the San Miguel School and a report of costs for sidewalks and curbs on Violet Street near the Vista La Mesa School.

## WOMAN NAMED TO ST. AUGUSTINE FACULTY

Mrs. Ann Petrowski this week became the first woman ever named to the faculty of the 35-year-old St. Augustine High School.

Mrs. Petrowski's appointment as an instructor in English was made by Very Rev. John R. Ahern, O.S.A., St. Augustine principal. The newest member of the private school's faculty is a graduate of the University of Georgia.

St. Augustine's faculty is composed of 10 priests of the St. Augustinian order and 17 lay teachers.

School. Both have been requested by residents.

The board will hear a report on subdivision activity in the school district and will consider acquisition of the Morse property. The latter, scheduled for the first meeting of this month, was postponed until March 25.

The board will begin at 7:30 p.m. at the Education Center, Kempf and Lincoln Street. As with all board meetings, the public is invited to attend.

## Measles, Poison Oak Plague Grove Actor

A combination of poison oak and measles has slowed Lemon Grove's Bob Turnbull in his attempt to "bust into Hollywood."

Three weeks ago Bob contacted the itchy-weed disease in his own backyard. San Fernando Valley has had a small epidemic of measles, so the BULLETIN and REVIEW columnist managed to get in the middle-of-the-mess.

On the happier side of the film business, Bob says he is represented by the Alex Brewis Agency. He is presently attending a drama workshop twice a week under Brian Hutton. Hutton studied for a year under Stella Adler (Marlon Brando's early instructor), and Lee Strasberg at Actor's Studio, New York.

Another "Matinee Theatre" is in the offing for Bob but the date not yet set.
